

Volunteer Opportunities at Clemson OLLI

Want to become involved in your OLLI? Please fill out the application on our website at www.olliatclemson.org/volunteers

Volunteer power fuels Clemson OLLI. Volunteers contribute the time, energy, and effort that run this learning community. We rely on our volunteers to help us enrich and enhance the lives of those we serve in our community

- **Administrative Assistant** - Can you reliably volunteer a few hours every week or every other week to help out in the main office? Fill out the interest form for more information about tasks and hours available.
- **OLLI Ambassador** - Enthusiastic members are the best way to spread the word about Clemson OLLI! Help us find and attract members and keep them informed about their OLLI by helping with instructional support in classes. We need positive, outgoing volunteers who enjoy talking to individuals and groups about OLLI.
- **Course Instructor** - Teach single or multi-session classes to explore, learn, discuss, or present a published topic! The value of Clemson OLLI membership is found in the talented instructors and facilitators who generously give of their time and energy to host programs across our four terms. Our instructors include a variety of professionals, retired faculty from universities around the country and those who have a lifelong interest in a subject and want to share their passion!
- **Excursion Leader** - These leaders take groups of OLLI members on various excursions ranging from a few hours to longer, sometimes international travel! We're looking for volunteers who are organized, have strong communication skills, and would be confident leading a group on a certain trip.
- **Outdoor Adventure Group Leader** - Our Outdoor Adventure leaders are volunteers who lead and facilitate walks, hikes, and other outdoor activities for our members. These volunteers should be proficient in the activity they want to lead, as well as possess organizational and communication skills. Adventures await!
- **Special Interest Group Facilitator** - Are you passionate about a certain topic or wish to share a hobby with others? Our Special Interest Group Facilitators lead discussions or plan small activities for small groups of OLLI members.
- **Zoom Classroom Assistant** - Assist OLLI faculty in the computer classroom. You don't need to be a computer expert, just familiar with the basic subject matter and

able to take direction well. You will be helping OLLI members find their way around their computers; we need reliable, patient, and 'hands-off' help here.

- **Class Assistant** - Assist OLLI Instructors in the classroom. You will greet participants, read a provided script to introduce the instructor, and be ready to assist in the flow of the class or any needs that the instructor might have.

Remember it all starts with a volunteer application! Visit our website for more information at www.olliatclemson.org/volunteers
